Spec Sheet

BRS-Flex

The BRS-Flex with height-adjustable legs is a great addition to any classroom or collaborative space for all ages! Oftentimes, elementary schools have the challenge of creating a collaborative space that can fit the needs of their kinders through 5th grade. The BRS-Flex is the perfect solution for this with its height adjustability. It is on a four-post rectangular steel frame with corner gussets for added stability and strength.
