Recessed Panel 15 Gallon Trash Can

Model #9478

Side Opening 9½"W x 4½"H

Overall 13¾"W x 13¾"D x 32¾"H

Subtle practicality.

This indoor/outdoor trash can sports a fluted panel design of durable high-density polyethylene with built-in UV inhibitors. Its telescoping base hides trash bag and has a 15 gallon bin capacity using standard 32 x 44" trash bags. It is easily adaptable for anchoring or weighting devices and includes recessed panel receptacles.
